Hello all:

For clarification, the meeting will be held at the New Mexico State Library at 1209 Camino Carlos Rey, Santa Fe, NM 87507, and specifically, we will be in the Yucca Room. We have the space from 10am to 1pm. If inclined, you may bring lunch along with you, but we need to make sure that we return the room to its' original condition before we leave. If you can RSVP and let me know how many folks you're bringing along with you, I'd appreciate it.

If you need any further directions, please let me know! See you on the 16th.

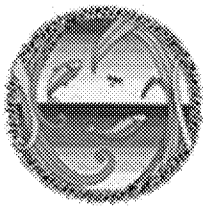

Best,

Sarah Holcomb

Greetings:

Nasim – Thank you for the invitation. I will be in attendance from NMDOT.

Sarah - Just to clarify will the meeting be located at the library in the Harold Runnels Building?

Respectfully,

Subject: [EXT] Save the Date- Meeting with EPA regarding Los Alamos Final Designation and the following steps for future Permittees on January 16, 2020 from 10:00 AM- 1:00PM..

Hi All:

EPA Region 6 will conduct a public meeting and a public hearing for the proposed renewal National Pollutant Discharge Elimination System (NPDES) permit authorization of industrial wastewater discharges from the Los Alamos National Laboratory, located in Los Alamos County, NM on January 16th and 17th. Sarah Holcomb, Point Source Regulation Section (PSRS) Program Manager at New Mexico Environment Department, has been kind enough to set-aside a time on January 16th from 10:00 AM to 1:00 PM (State Library in NMED, Santa Fe office) for the Los Alamos County, LANL, NMDOT, Amigos Bravos, and EPA to talk about the next steps regarding the final Los Alamos final designation.

Please let us know your availability so that we can set up a meeting to expedite the whole process..

Thank you,

Nasim Jahan
